Mission Statement

A Tribute to Women of Color (ATWOC) is an organization inclusive of ethnic groups, striving to identify and address educational, political, health, family, and social issues. The organization focuses on improving the quality of life and spiritual development for all women.

- ❑ **Each year A Tribute to Women of Color**, a program of the YWCA of Annapolis and Anne Arundel County, hosts this important event, awarding scholarships to **Future Leaders** who are bright young women who are high academic achievers in the Annapolis and Anne Arundel County community. **Good Samaritan, Service to Youth** and **Pathfinder** awards are also presented to Community Leaders.
- ❑ **Good Samaritan** (unsung heroines), **Service to Youth** (youth and community service) and **Pathfinder** (open doors, forge trails, bring about social change, or improve quality of life for others) awards are presented to women of color. The contributions of these individuals range from directly working with young people in the community, church or school to individual contributions and leadership accomplishments that bring about positive change for women.

This year the Annual Awards Luncheon will be held on Saturday, March 1, 2008, 11:00 A.M. to 2:00 P.M at the LaFontaine Bleu in Glen Burnie, MD.
